National Sale Rules & Agreement

Live Animal Eligibility:

1. Bulls & heifers must be registered with the ACA at time of nomination. **All animals and matings must be TH & PHA free by verified DNA testing or both parents must have tested free and test results must be on file with the ACA.**
2. All bulls & heifers must be eligible & entered in the North American International Livestock Exposition ACA National Show.
3. A \$200 non-refundable nomination fee, payable to the ACA, must accompany each entry. (All nomination fees will be applied to sale commission & expenses.) Buybacks/pass-outs/RNA animals and entries must pay 20% of hammer price for the animals/items in question at the conclusion of the sale. Show entries/releases and/or ACA registry work will be held until auction accounts have been settled. Any difference in the eventual sale expense percentage will be refunded to the seller for these animals/items.
4. Each nomination is subject to screening by the ACA National Sale Committee.
5. It is highly recommended that each nomination include the following:
 - a. High quality photo image of the animal.
 - b. Footnote material should include complete performance data: birth weight, weaning weight, yearling weight & EPDs. Other footnote information should include show ring winnings by the individual or its parents/siblings and any pertinent

sales figures about the individual's parents/siblings.

Flush, Embryo & Pregnancy Eligibility:

All animals and matings must be TH & PHA free by verified DNA testing or both parents must have tested free and test results must be on file with the ACA.

The ACA National Sale Committee will consider a limited number of entries that are ET Flushes, ET Embryo Packages or ET Pregnancies. Guidelines are as follows:

1. The donor dam of Flushes, Embryos or Pregnancies must have been a Grand Champion, Reserve Grand Champion or a Division Champion or Reserve Division Champion at a prior ACA National Show or Chiangus Classic or the dam of any of the above.
2. An ET Flush shall be defined as and consist of a future ET Flush from a specified donor dam and mated to the bull of the buyer's choice.
 - a. The donor dam must be made available for the ET Flush within six (6) months of the ACA National Sale.
 - b. A successful ET Flush shall be defined as producing a minimum of six (6) transferable embryos.
 - c. Seller shall be responsible for all flushing expenses.
 - d. Buyer shall be responsible for providing semen & is responsible for semen shipping costs for the ET Flush.
 - e. Buyer shall be responsible for all embryo shipping expenses.
 - f. Buyer shall pay 50% of sale price

on sale day with the balance due the seller at the completion of the ET Flush.

3. Package of Frozen Embryos shall be defined as and consist of a minimum of three (3) frozen embryos.
 - a. Buyer shall pay 100% of sale price on sale day to be held until delivery of the frozen embryos to the buyer is complete.
 - b. Shipping expenses for the ET Frozen Embryos shall be the responsibility of the buyer.
 - c. Seller will guarantee a minimum of one 90-day pregnancy be produced from the ET Embryo package provided the embryos are transferred by a licensed ET technician. Seller would then provide additional embryos until guarantee is met.
4. An ET Pregnancy shall be defined as and consist of one pregnant recipient cow carrying a confirmed 90-day+ embryo from a specified donor dam & sire.
 - a. Buyer shall pay 100% of the sale price on sale day.
 - b. Buyer shall be responsible for all transportation expenses of the pregnant recipient.
 - c. Buyer will be responsible for retesting the recipient cow to confirm pregnancy at delivery.
 - d. There is no live calf guarantee with the purchase of an ET Pregnancy.

TH & PHA Testing must be done through AgriGenomics. Forms can be found at www.chicattle.org. Tests can take up to a month. Send in information as soon as possible.

Consignor's Agreement:

The statement below must be signed in order to complete your consignment to the National Sale.

I am a member of the ACA and I agree to the rules and regulations governing the ACA National Sale and to the decisions of the sale manager and sale committee regarding my entries. I understand that the ACA, the NAILE, the sale manager and other affiliated sale personnel act only as agents in the sale of the livestock I have entered here and that none of these parties may be held responsible for any accidents or losses that may occur during my involvement with this event. Furthermore, I agree to make my show and sale entries available for veterinary inspection and to make certain that my entries

Consignment Deadline: Oct. 1, 2008

comply with the health regulations associated with this event. I understand that my entry fee is non-refundable and that by signing below I likewise indicate my agreement to the terms of financial responsibility as described in the "Sale Management Agreement" between the ACA and the sale manager. Lastly, I agree that all commissions on my sale entries are to be paid first, before any liens or mortgages, from the proceeds of their sale.
