Juniors! Be prepared to follow the yellow brick road as There's No Place Like Hutch for the 2017 National Junior Chianina show in Hutchinson, KS June 23-June 30, 2017. The ACA and AJCA is working diligently to offer an outstanding junior event for all AJCA members.

The show will again consist of heifer, steer and Bred & Owned bull shows. We will also continue the Bred & Owned Heifer Division in a separate show on Thursday, 6/29/2017. Please read the rules for more information. All animals must be registered with the ACA in the junior exhibitor's name by the ownership deadline of May 1. Please allow 3 business days for registration of animals! There will be no exceptions if not registered by May 1.

Along with the shows, junior participants can compete in several contests during the week including livestock judging, photography, public speaking, showmanship, salesmanship, quiz bowl and team fitting. Please read all rules carefully to ensure you are prepared. Contests are divided into four age divisions: Novice (under 8), Junior (8-12), Intermediate (13-16) and Senior (17-21). The beef quiz bowl, team fitting and state displays are group activities for AJCA members.

As a reminder, this is a joint event with the American Maine-Anjou Association. In an effort to streamline the week, we have combined our contests. As a result, some rules have changed; please read all contest rules carefully to ensure you are prepared for these changes.

Points for the All-Around champion are calculated from the contests which are divided into age groups. Points are also used from the heifer, bull and steer shows. This will still apply, and will be based off members participation. Look for final information in confirmation packets, which will be emailed to every member who submits an entry.

During the week, the AJCA will hold its annual meeting and elect new national directors and officers. If you are interested in running for a board position, please fill out the AJCA Board of Director Application and return it to Andrea Paulson by May 1. The application can be found on the ACA website, www.chicattle.org on the AJCA tab.

The Entry deadline is May 1. All entries are \$55/head, and must be submitted online. Please make sure all animals are registered when you submit entries. May 1 is the final deadline, there will be no EXCEPTIONS! For more information, contact Andrea Paulson at 816.431.2808 or by email at andrea@chicattle.org.

ALL EXHIBITORS WILL BE STALLED WITH THEIR STATE. STALLING REQUESTS MUST BE IN TO ANDREA BY MAY 15. PLEASE CALL 816-431-2808 OR E-MAIL ANDREA@CHICATTLE.ORG WITH YOUR REQUESTS.

The princess contest will be held in conjunction with the queen contest during the National Junior Heifer Show. Each contestant will need to send a current photo, a list of ACA/AJCA activities and involvement, along with a short essay on why you feel like you would be a great fit as princess. CONTESTS

NEW CONTEST GUIDELINES & STRUCTURE

The American Junior Maine-Anjou & Chianina junior boards recently made the decision to streamline their approach when it came to the National Junior Heifer Show and its contests. The hopes of this new process is to cut down on overall days spent at the show. One such way that was decided was to combine the following contests: Photo, Quiz Bowl, Salesmanship, Public Speaking and Livestock Judging. One contest will still be held separately and that is Showmanship. There will no longer be a Stockman's Challenge or Poster contest offered at junior national.

Novice Division

A novice division has been added for showmanship. The novice showmanship is open to anyone 8 and under that does not feel comfortable competing in the junior age division. The novice division will not be placed, every kid will receive an award and no points will be given for the overall sweepstakes.

So, what does this mean?

For example, where there used to be a top 10 in both Maine-Anjou public speaking and Chianina public speaking in each age division, there will now only be one top 10 public speaking in each age division. This means that top 10 can be made up of exhibitors from each breed.

Showmanship

The only exception to the new contest format is Showmanship. Each breed will continue to hold a separate showmanship contest and each contestant will receive 3 points regardless of where they place. If you choose to compete in both showmanships you will still only receive the 3 points that will go towards the overall sweepstakes. Awards will be presented to the top 1-5 in each breeds contest.

Do you have to enter both breeds to be part of the contests?

No. As long as you're a current dues paid member of either association and have submitted a cattle entry or the contest only fee you are signed up. **YOU DO NOT HAVE TO PAY THE CONTEST ONLY FEE IF YOU ENTER AN ANIMAL AND YOU DO NOT HAVE TO ENTER AN ANIMAL IN BOTH BREEDS.**

For additional information regarding contest points and tally's for the overall, please see the contest portion of your rulebook. Additional questions can be directed to Lindsey at Lindsey@amaapc.com or 816-858-9954 or Andrea andrea@chicattle.org or 816-431-2808.
